

Fractured Tales

The Three Little Pigs and the Big Bad Kangaroo

One sunny day, there lived 3 little pigs in a small but fine house and they lived near a Pendopo, which is their favorite place to play Dakon. They lived happily until one day, a big Kangaroo moved in near their house, and they obviously became neighbors. The Kangaroo was fishy; his house was dark but calm. The next day, the Kangaroo decided to walk around the neighborhood but he suddenly got a cough after eating ice cream. He rushed into his house and he tried to find his medicine but he couldn't find it! The poor kangaroo didn't have any choice but to ask the 3 little happy pigs for a medicine. Mr. Kangaroo strolled around the neighborhood and he finally found the three little pig's house because he saw the youngest pig inside, through their wide clear window. The Kangaroo walked towards the doorknob and he knocked the door 3 times and no one answered, because they were busy playing Dakon. Mr. Kangaroo grew impatient. He shouted, "HEY YOU 3 LITTLE PIGS COME OUT NOW!!!!".

The three little pigs became afraid, so they decided to shout at Mr. Kangaroo back. "HEY MR.KANGAROO, DON'T DISTURB US, GO AWAY!"

Mr. Kangaroo was no longer patient. He slammed the door open, and he shouted, "I CAN'T TAKE IT ANYMORE! WHERE ARE YOU PIGS!!!,"

The pig heard what the Kangaroo said and they were terrified! The pigs couldn't find a way out until the Kangaroo barged into their playroom. The pigs were startled, scared and they threw their Dakon board to Mr. Kangaroo. Mr. Kangaroo was really angry, and he was furious. Mr.Kangaroo then coughed, and coughed until the Pendopo was blown away! Unfortunately, the youngest pig was there and he was found DEAD

" Well, it was not my fault! But I can't help but eat it," said Mr. Kangaroo which was terribly HUNGRY.

Mr. Kangaroo felt full, but that one fat pink pig wasn't just enough. Mr. Kangaroo then walked around, finding the other pigs. On the other side, the two pigs that went away met together and they decided to walk together, trying to not get caught by the Big Bad Kangaroo. Not long after they walked together, Mr. Kangaroo saw them! They were shocked and one of them ran, but the other one got caught when that poor little pig tried to hide near the bushes. Mr. Kangaroo saw the pig, and he coughed and coughed and guess what? The same thing happened. The poor little young pig was dead as a barbeque. The other pig, which was the oldest ran to the Gamelan area. He was quite bored so he rang the Goong, while singing. He tried playing the Rincik and the Jonang. He hid there for a short time then he walked and strolled down the hill until a miracle happened! He saw 2 cops eating Gethuk happily!!

" Cops! Cops! Hey!! It's me Mr. Piggy, oink oink!," said the poor fat piggy!

" Oh hey Mr. Piggy, what seems to be the problem mate," said the 2 cops Mr. Zebra and Mr. Giraffe.

“ Um.. um Mr. Kangaroo is coming for me! He ate both of my siblings!,” shouted the poor fat piggy.

“ My oh my! What have that Kangaroo done to you and your siblings, don’t worry we will come to the rescue!!!!,” exclaimed Mr. Zebra.

The two cops and Mr. Piggy finally found Mr. Kangaroo!

“ Ho ho ho, there you are Mr. Piggy. Wait what?! Why are there cops with you?!,” said Mr. Kangaroo, terrified.

The cops then said, “ You are caught red handed Mr. Kangaroo”.

Mr. Kangaroo then admitted that he ate the two poor little pigs and he then got arrested.

Mr. Piggy had a happy life after, and he moved to Jakarta.

Glossary

Pendopo is one of a Javanese fundamental architectural element. It is somewhat like a Bale/ a place that can be used for performing, gathering etc.
